

DOME

OUTDOOR LIGHTING AND HEATING

DOME by HEATSAIL

*No better background scenery for a nice long
conversation than a sultry summer night.*

*Why don't we just make it a
little warmer and lighter outside,
so those summer nights can last forever...*

DOME® TIMELESS LIGHTING AND HEATING FOR YOUR TERRACE

HEATSAIL PRODUCTS ARE DESIGNED AND MADE IN BELGIUM

DOME by HEATSAIL

HEATSAIL

Heatsail is a Belgian design company established in 2012 that has redefined the luxury lighting and heating space. We develop unique technical outdoor products to create lasting experiences by extending the finest moments of a beautiful day.

LIGHT

When it gets darker you turn on the light. You can easily dim the light with the remote control. The light can be used with or without the heating.

DOME by HEATSAIL

HEAT

When it gets chilly just turn on the integrated heating. Discrete far-infrared heating elements give you the most pleasant warmth. Control your surrounding temperature with our 2 heat settings, low and high for all those cosy winter or autumn days and nights.

Technical information

Rust-free weatherproof

The DOME is made of high quality materials such as aluminium and stainless steel, making it suitable for outdoor use.

Low energy usage, zero CO2 emission

The DOME uses less energy than traditional gas heaters and generates up to 25% more heat with an energy consumption of only 3.22 kWh.

Low maintenance

By using highly efficient and durable ceramic heating elements, combined with the best materials, the DOME is virtually maintenance free.

Reach & glow

Up to 5 meters reach. Comfortable warmth without a red glow.

Dimensions

Hood diameter	100 cm 3'3.4"
Hood height	38 cm 1'3"
Base	44 x 44 x 32 cm 1'5.3" x 1'5.3" x 1'0.6"

Midnight

Snow

Product list

FLOORLAMP

This 100% state-of-the-art Belgian product has a timeless design and is almost maintenance free.

PENDANT

The DOME® is also available in a pendant version.

WALL BRACKET

Space-saving wall bracket for a fixed DOME® pendant set-up.

BOW BRACKET

Space-saving wall bracket for a fixed DOME® in bow set-up.

COVER

Protect the DOME® with an optional cover.

EXTENSION PIECE

Use this DOME® fixture to create clear vertical clearance height of 195 cm instead of the standard 180 cm.

WHEELS

You can also opt for the version equipped with 4 instead of 2 wheels.

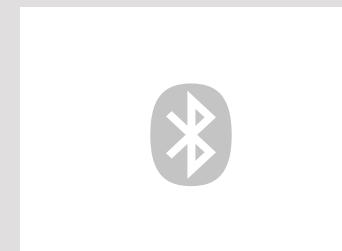

EXTRA WEIGHT

The base of the DOME® is supplied with a 130 kg weight. Metal plates can be added for extra weight when the DOME® is used in windy areas.

ASSEMBLY ACCESSORY

If you wish to simply assemble the DOME® you are best off using our TRIPOD. This will allow you to set up the DOME® within 30 minutes.

BLUETOOTH MUSIC

BLUETOOTH 4.0 connection with 2 x 40 Watt waterproof speakers built into the base of the DOME®.
